### **Company Highlights:**

- Current Medical Services (CMS) is a full-service practice management company that enables independent physicians to improve business practices and maximize revenue. The singular goal of Current Medical Services is to help independent practices thrive. We do that by providing Revenue Cycle Management, Human Resources/Staffing and Practice Management services to a variety of practices in Western North Carolina. Our team of highly-trained billing specialists is ready to assume all aspects of billing for your practice. Our staff are locally employed, and work on-site at our Sylva office. CMS insurance collection rates are well above the national average, providing practices with more quickly. We work with your EHR of choice to provide billing services, which provides full-transparency and accountability.
- ***Mr. Kelly T. Custer, JD, President***  
Kelly Custer is a graduate of Duke University Law School and practiced national health care law in Ohio prior to relocating to Western North Carolina with his wife, Dr. Current Custer. Kelly started Current Medical Services to support his wife's practice, Current Dermatology, and has used his personal and professional experiences to assist a variety of practices around the country.  
In addition to the intricacies of running a medical practice, Kelly understands the value of living life outside the office, and strives to allow CMS clients the freedom to craft their

desired lifestyle. When he isn't working, you'll find Kelly exploring the outdoors or at home spending time with his family.

- ***Karen Ensley, Finance Director***

Karen is our indispensable Chief Financial Officer. A Magna Cum Laude graduate of Western Carolina University, Karen worked for 20 years in hospital accounting prior to joining CMS. In addition to experience with finance reporting, general ledger and payroll, she has assisted with financial audits, budget preparation and Medicare/Medicaid cost reports.

Karen works closely with physicians and their staff and enjoys improving financial processes and implementing accounting efficiencies.

- ***Ruth Foy, Billing Director***

Ruth has more than 10 years of hands-on experience as a billing administrator and coding specialist for a variety of practice-based offices. Throughout her career, she has developed industry leading strategies for off-site billing services, and personally attends to contracting and credentialing for practices. Ruth manages a team of highly-trained billing specialists who are ready to provide a hands-on approach to the challenges that practices face.

- ***Frost Walker, VP of Operations***

Frost is a graduate of Furman University and has over 10 year of experience in operations management. Prior to joining the team at CMS, Frost consulted with a variety of businesses focusing on organizational development. Day to day, Frost works closely with clients to better understand their needs and coordinates Current Medical resources to ensure these challenges are met.

#### **Client Testimonials:**

“The team at CMS has been very professional and easy to work with as we recently expanded our practice. We enjoy utilizing their billing services in order to focus on what our staff is trained to do – provide excellent medical care to our patients. I highly recommend Current Medical Services for its revenue cycle management and staffing/HR services. I am confident in the ability of CMS to provide these services to a variety of practice-based offices in the region”.

- Dr. David LaMond, LaMond Family Practice

“We have been quite pleased with the billing, staffing, and practice management services provided by CMS. The professional support we receive from Current Medical Services has enhanced our practice as we have grown and adapted to a more complex medical environment. By utilizing these services, we are able to run our office efficiently and return our focus to patient care. We highly recommend Current Medical Services for its full-service practice management consultation services.”
